Domestic transfer: All South Trips require a domestic transfer, which will depend on your arrival and / or departure port.

If your trip starts or ends in any of the below ports you need to book a domestic flight directly to / from that airport, where the boat will collect / drop you off.

Addu	GAN International Airport	GAN	Maldivian Airlines
Huvadhoo	Kooddoo Airport	GKK	Maldivian Airlines

Carpe Diem Maldives can book this on your behalf, or you can book it directly.

If booking via Carpe Diem, the booking will form part of a group booking. This means there are two allocated timings for arrival and departure dates, as provided by the airline and therefore not within the control of Carpe Diem Maldives. The airline generally releases rates, schedules, and availability of seats at the end of the year; around November / December for March / April South trips. The March / April South trips schedule is usually released around February.

1. Inform the Carpe Diem Team or your Agent by emailing: sales@carpediemmaldives-cruises.com. Please provide names, dates, route and boat booked.

2. We will enter your request for a domestic ticket into our database.

3. Once we receive the rates and schedules from the Airlines, we will contact you / your agent with the timing options / rates and book it on your behalf upon acceptance of the quotation.

4. Our accounts team will send you / your agent the invoice for payment.

5. To book your flights we require the following to be entered into the guest information link:

- Name and Surname as written in your passport.

7. The Carpe Diem Team will meet you on arrival at Velana International Airport to assist with your Domestic Flight after you have cleared customs. The Airport Representative will wear a Carpe Diem Cruises uniform and hold a Carpe Diem Cruises board.
